

## A message from our Deputy Headteachers: Mrs Jacoby & Mrs Brown

*The unseasonably cold, rainy weather hasn't stopped us from having a fabulous week in school! Reception children were very excited to go on their trip to the Butterfly Farm this week and had a wonderful time investigating the minibeasts there. Year 3 and Year 5 had their WOW days, learning about the Stone Age and rainforests, in engaging workshops, provided by our expert visitors. They certainly looked the part in their costumes!*

*It was lovely to see so many parents at our Nursery and Reception open evening - we look forward to your children joining us in September.*

*Very well done to all our Year 1 children and some of our Year 2 children, who have done incredibly well in their phonics check this week - we are so proud of you all! Thank you to parents for all your support at home too.*

*Year 6 children are looking forward to their residential trip to Dol-y-Moch next week - we hope you have a fantastic time!*

Mrs Jacoby & Mrs Brown

## Exciting learning from this week

This week, Reception have visited the Butterfly Farm! We had a lovely time finding caterpillars and watching the butterflies flying around us - they even landed on our heads! We also got to hold one of the stick insects.

This week, Year 4 have been diving into the world of the Vikings, learning about the significance and intricate designs of Viking brooches. They carefully designed and created their own brooches, showcasing their creativity and newly acquired historical knowledge. Well done, Year 4!
