

A message from our Deputy Headteachers: Mrs Jacoby & Mrs Brown

Dear Parents/Carers

*It's been a really productive week in school with some wonderful learning taking place across the school. Children who access The Hive have been having a super time engaging in lots of exciting learning opportunities such as making pizzas in cookery lessons; group art work based upon animals; composing music linked to superheroes and in science learning about our bodies and teeth. On Fridays, we are really lucky to now have a therapy dog join us, organised by Mrs Shepherd - a lovely labrador called Millie! The children absolutely love her and are keeping her very busy!*

*Our wonderful learning mentor team continue to do fantastic work and give crucial support to many of our children and families within our community. Already this term, it has been great to see the range of pastoral support they have offered to enable children to succeed in school and to enjoy their learning. If you are worried about any issues linked to your child's wellbeing or attendance, please let us know as it may be something learning mentors, alongside class teachers, can help with.*

*Finally, a message from West Midlands Police about the unfortunate rise in burglaries in our city:*

**Recently we have noticed an increase in Burglaries in Coventry. There has been a rise in school drop off and pick up times most specifically. Our ask is for all parents to be extra vigilant and to utilise all methods they can to deter and prevent this happening to them. Anyone acting suspicious please call Police on 101 for non emergency or 999 if urgent. For any local alerts please look to sign up for our messaging service on the following link:**

| Parents Evening 4 - 6.30pm                             |

Reminder

Can we please remind parents/carers about the importance of naming your child's clothing. We get an increasing amount of lost property and we return anything with a name.

Exciting learning from this week

This week in Reception we have been exploring Van Gogh 'Starry Night'. Inspired by his picture, we created our own works of art. We used lots of different media to create different variations.

Our Manor Park University has resumed this term. The children are learning in imaginative and innovative ways as part of this enriching bespoke curriculum.
