A message from our Deputy Headteachers: Mrs Jacoby & Mrs Brown

Dear Parents/Carers

There was much excitement in school this week as we have put up our Christmas decorations - Christmas preparations are well and truly underway! It has been lovely to take a sneak peak at Nativity rehearsals, with the children so excited about performing their songs - it's the Nursery Nativity next week and the parents are in for a real treat.

It has also been lovely to see wonderful learning in English this week, as we have visited children in classrooms and talked to them about their progress. Children across the school are demonstrating the Manor Park SOAR qualities in abundance and we couldn't be prouder.

Our PCSOs have been visiting our Year 5 & 6 children this week and they have talked to the children about the opportunity to become Junior PCSOs, learning about the legal system, crime scenes and following the law. They will also have the opportunity to learn about traffic law, assisting PCSOs in looking at safe and legal parking outside our school. Children will be able to apply for the Junior PCSO position in the coming weeks. It was great to see PCSO Matt Chater this morning on Gate 1, supporting and advising parents on whether children need to have a car seat depending on their height. He used a child safety seat bridge, which the children enjoyed testing out.

Thank you to C23 for an amazing assembly on World War 2 with fabulous singing - children, staff and parents thoroughly enjoyed it! We look forward to seeing Class 8's assembly next Friday.

Just a reminder that the Christmas Fair is being held in school next Friday by the PTA - please come along to see our choir and join in with the Christmas fun!

Reminder

Evidence must be provided for all appointments during school hours. This can be in the form of a letter, GP stamp on a compliment slip, an appointment card or SMS message. This will need to be presented at the main school office, or a copy emailed to the attendance team at attendance@manorpark.coventry.sch.uk before or after your child's appointment. Please schedule appointments out of school hours whenever possible.

Exciting learning from this week

During Maths this week, Year 1 went on a shape hunt around school!

Year 4 has had a fantastic time playing the glockenspiel in music lessons this week! They enjoyed exploring the sounds and rhythms, working together to create beautiful music. It's been a fun and engaging experience for everyone!

Year 2 have started our D&T food project by learning about balanced diets, food groups and how to chop, grate and cut different food. We can't wait to create our healthy wraps next week!
