

A message from our Deputy Headteachers: Mrs Jacoby & Mrs Brown

Dear Parents/Carers

We have had a busy week in school with some fantastic WOW events taking place! Year 5 looked amazing in their Egyptian outfits and had a fun-filled day learning all about Ancient Egypt. It was also lovely to see the array of superheroes and real life heroes the Year 1s transformed into for their Superhumans topic. All the teachers looked the part too!

We have been very impressed with children's learning as we've visited classrooms this week. There is an important focus on developing and elevating oracy skills, both learning to talk and learning through talk, as part of our Voice 21 programme. Children are learning to listen more effectively and are showing great enthusiasm for using different talk tactics.

We are eagerly awaiting the results of the year group Junior Leadership Team representatives, which should be declared next week. We also now have our house captains from Year 6 in place - huge congratulations to them!

And just a few reminders...

Manor Park is a nut-free school so please refrain from sending lunches into school that contain nuts as we need to protect children and adults in our school community who are allergic to them.

In school, we teach children about eating a healthy, balanced diet and promote this as much as we can. We provide fruit and vegetables for Early Years and Key Stage 1 for playtime snacks and in KS2 we encourage bringing in fruit or a healthy snack bar (no nuts). We provide water and milk at lunchtimes and kindly request that children bring in water bottles, for their classrooms, filled with water only and no fruit juices. We would really appreciate your support with this.

Finally, we wanted to let you know that we will be creating a new tarmacked waiting area for parents at the back of C14 and C15 in the weeks ahead, to ease congestion.

Mrs Jacoby & Mrs Brown

Reminder

For any of our parents with children who access our after - school activities, can we ask that you inform the school office if your child has been in school but is not going to attend after school. This will ensure that we are not trying to locate your child unnecessarily when taking the after school registers.

Exciting learning from this week

Class 8 had a wonderful time dressing up for Superhero Day! We had doctors, firemen, a large range of superheroes, princesses, policemen and much more! We did a Superhero obstacle course, a treasure hunt and a range of different crafts and ended the day with a Year 1 superhero party!

On Monday, Year 6 went on a trip to Beaumanor Hall to take part in a WW2 immersive experience. They dressed up as evacuees and learnt about air raids, rationing, schooling and code breaking. We had a great day and learnt lots.
