

## Year 2 Autumn Term

Please select at least 3 homework tasks to complete over the term (alongside your spellings and reading). Your work will be presented in your creative curriculum books - prizes and house points will be given for effort and originality.

### History

Create a poster or fact file about a famous explorer of your choice. Why are they famous? What did they discover? Be as creative as you can!

### Music

Reggae is a popular style of music in the Caribbean. Reggae music is often played using a bass guitar and drums.

### D&T

Cook/bake different dishes from around the world. You could create your own recipe, cook it then share it with family

Research a famous landmark (for example Big Ben) and build it using lego or junk modelling.

### Art

Research an artist of your choice. What country do they come from? Create a piece of art using their style as inspiration.

### Computing

Create a PowerPoint presentation about a country (or countries) of your choice. You could include information about where to find them, famous landmarks, food, tourist attractions and any interesting facts!

### Geography

Write a travel guide about a country of your choice (this could be one you have visited). Include a map to show where this country is in the world and information about the weather and what tourists can do there.

Use google Earth to explore where different countries are in the world. Choose 5 countries to search for and write an interesting fact about each one.

### PSHE

Pollution and human activity is causing lots of problems around the world. Create a poster to show the causes

and effects of climate change on the environment. What is climate change? What can we do to help?

Links of interest to support your learning:

Climate change: <https://climatekids.nasa.gov/kids-guide-to-climate-change/>

Google Earth: <https://earth.google.com/web/>

For help with recipe ideas: <https://www.bbcgoodfood.com>

If you have other ideas of projects you would like to complete at home (which are linked to the topic), you can do these too. Remember, this work will be stuck into your creative curriculum book so make it as creative and engaging as you can!
